# CASTLE ROCK WINERY

## *Cabernet Sauvignon*

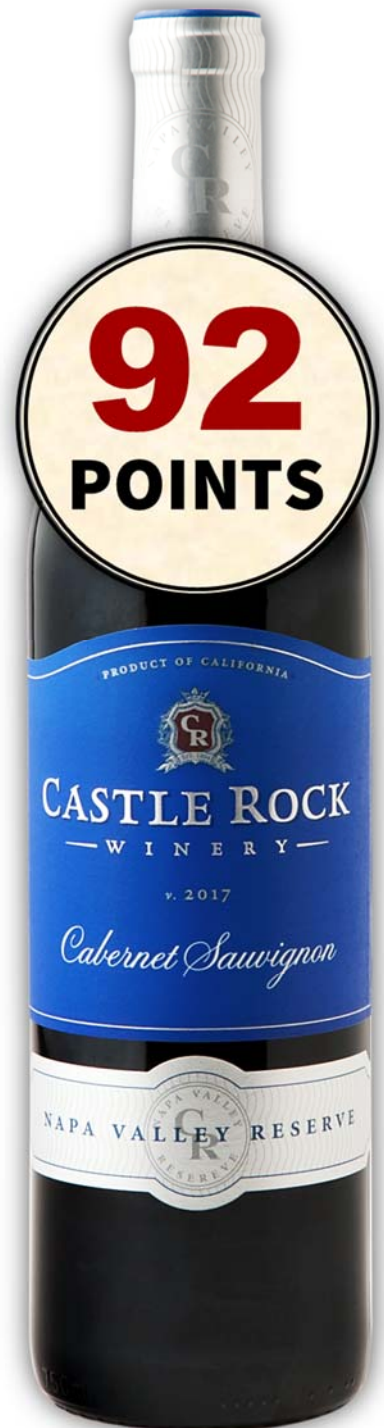

**NAPA VALLEY RESERVE**

**2017**

“(\$25): This is an excellent Napa Cabernet Sauvignon that provides plenty of power and pleasure without pushing anything over the top. The color is deep and dark, followed by nicely balanced scents of black fruit and toasty oak. Full-bodied but still supple and easy to enjoy even without food, it could also stand up to a grilled steak very, very nicely. Very tastefully crafted from top class fruit. A Double Gold Award winner at the 2019 Toast of the Coast International Wine Competition. 92”
