

CASTLE ROCK
— W I N E R Y —

2016 Paso Robles Merlot

✦ Tasting Notes

Our Castle Rock Merlot is produced from grapes grown in California's Paso Robles growing region. Here, the local mountain range helps to create a climate which provides ideal growing conditions for Merlot grapes, with hot summer days and cool nights.

This elegant medium-bodied wine has dark purple color and expressive aromas of black cherry, blueberries, plum, and spice. On the palate the wine is intense, luscious and full-bodied with a rich core of berry flavors, and there are hints of spice and vanilla in its long harmonious finish. It makes an excellent companion to steak and other red meats, pasta dishes and a variety of cheeses.
