

CASTLE ROCK
WINERY

2020 MENDOCINO COUNTY

Pinot Noir

✦ Tasting Notes

Our Castle Rock Pinot Noir was produced from grapes grown in beautiful Mendocino County, where vineyards were first planted in the early 1860's. In the fertile and rugged landscape the cool springs, warm summers, crisp falls and wet winters make ideal conditions for growing Pinot Noir grapes. This elegant and medium-bodied wine has delicate aromas of violet and rose petals, complex flavors and long silky textures, with layers of strawberry and raspberry leading into a long refined finish.
