

CASTLE ROCK
WINERY

2020 RESERVE ALEXANDER VALLEY *Cabernet Sauvignon*

✦ Tasting Notes

Our Castle Rock Reserve Cabernet Sauvignon is produced from grapes in carefully selected vineyards in California's prestigious Alexander Valley. It is a deliciously full-bodied wine, a deep garnet color, and carries aromas of blackberry, pomegranate, caramel, and cinnamon. On the palate it has rounded tannins with flavors of raspberry and cherry with cedar notes. The finish is structured with lingering notes of ripe red fruits and toffee. It makes an excellent companion to beef, lamb, venison, and most cheeses.
