

CASTLE ROCK
WINERY

2021 MONTEREY COUNTY *Pinot Noir*

✦ Tasting Notes

Our Castle Rock Pinot Noir was produced from grapes grown in Monterey County where the climate and soil quality provide excellent growing conditions for the this varietal. Here, the cooling air from Monterey Bay helps to produce a longer growing season for the grapes, with extra grape-time on the vines leading to a characteristic depth of flavor in the wine. Our Pinot Noir is elegant and medium-bodied, offering aromas of cherry, tea and herbal spice. On the palate, the wine gives flavors of black cherry, plum, and spice. It is smooth with a silky texture and mild tannins. This versatile wine pairs well with lamb, chicken, veal, salmon, and light pasta dishes.
