

CASTLE ROCK
WINERY

2023 MENDOCINO COUNTY *Pinot Noir*

✦ Tasting Notes

Our Castle Rock Pinot Noir was produced from grapes grown in beautiful Mendocino County, where vineyards were first planted in the early 1860's. In the fertile and rugged landscape, the cool springs, warm summers, crisp falls, and wet winters make ideal conditions for growing Pinot Noir grapes. This medium-bodied wine offers delicate aromas of blackberry, caramel, and cedar. The full midpalate is highlighted by ripe strawberry leading into a long, refined finish. Pair this versatile wine with wood-fired pizza, salmon, or a charcuterie board.
