

CASTLE ROCK
WINERY

2022 CALIFORNIA *Cabernet Sauvignon*

✦ Tasting Notes

Our Castle Rock Cabernet Sauvignon is produced from grapes grown in California, where the climate and soil quality provide excellent growing conditions for this classic varietal. This Cabernet Sauvignon is bold, rich, and deep garnet in color with expressive aromas of black currant, ripe cherry, and baking spice. On the palate this wine is intense, luscious and full-bodied with a rich core of dark berry flavors, and hints of vanilla and espresso in its long harmonious finish. It makes an excellent companion to beef, lamb, venison and most cheeses.
