

CASTLE ROCK
WINERY

2022 CALIFORNIA *Merlot*

✦ Tasting Notes

Our Castle Rock Merlot is produced from grapes grown in carefully selected vineyards in California, where the climate and soil quality provide excellent growing conditions for this classic varietal. This elegant medium-bodied wine is vibrant ruby in color with expressive aromas of black cherry, blueberry, plum, and spice. On the palate, this wine is intense and luscious with a core of berry flavors and hints of caramel and vanilla bean in its long harmonious finish. It makes an excellent companion to steak and other red meats, pasta dishes, and a variety of cheeses.
